The resource person, Mr. M. V. Kurane, a former principal, spoke about the physical, mental, and social consequences of drug addiction. The speaker emphasized that addiction not only destroys an individual's health but also affects families and society at large. Students were advised to stay away from drugs, resist peer pressure, and engage in positive and creative activities.

The session included interactive discussions where students shared their views and asked questions. The speaker also highlighted the importance of spreading awareness and helping those struggling with addiction through empathy and support.

The lecture concluded with a vote of thanks by Mr. Anis A Shaikh, expressing gratitude to the speaker and participants. Overall, the session was informative and inspiring, reinforcing the message of leading a disciplined and drug-free life.
