REPORT

Cleaning Activity

Organizer: NSS Department

Title: Cleaning Activity (1st Oct 2025)

Objective:

The main objective of this activity was to promote environmental awareness among students and the local community by encouraging active participation in cleanliness initiatives. The program aimed to create a clean and hygienic campus, improve the surrounding environment, and develop a sense of social responsibility and teamwork among NSS volunteers.

Benefits:

- **Healthy and Hygienic Environment:** Keeps the campus clean, reducing the spread of germs and ensuring a healthier atmosphere for students and staff.
- **Enhanced Campus Aesthetics:** Improves the overall appearance and cleanliness of the college premises, creating a pleasant and welcoming environment.
- **Environmental Awareness:** Encourages students to adopt sustainable practices like waste segregation and recycling within the campus.
- **Teamwork and Cooperation:** Strengthens unity among NSS volunteers and students through collective participation in cleanliness drives.
- **Sense of Responsibility:** Develops ownership and accountability among students for maintaining cleanliness in their surroundings.
- **Positive Institutional Image:** Reflects the college's commitment to cleanliness, discipline, and social responsibility.
- **Awareness on Waste Management:** Educates students on proper disposal of waste and maintaining clean classrooms, laboratories, and common areas.

Overall Report:

The NSS Unit organized a Cleaning Activity on 1st Oct 2025 at PVPIT Budhgaon (Mechanical & Instrumentation & Control Dept. Premises). A total of 200 NSS volunteers actively participated in the event. The program began with a brief inaugural session highlighting the importance of cleanliness in maintaining a healthy ecosystem.

Volunteers conducted a cleaning campaign to remove plastic waste, litter, and unwanted vegetation from the surroundings. The activity concluded with a pledge to protect the environment and maintain cleanliness regularly. The event successfully instilled a sense of environmental responsibility among participants and made a positive impact on the local community.

The event was inaugurated by Principal Dr. S. B. Mohite, who highlighted the importance of cleanliness activities in maintaining a healthy and sustainable environment. In his address, he emphasized that such initiatives play a vital role in preserving ecological balance, reducing pollution, and creating a cleaner campus. He also encouraged students to actively participate in environmental protection and make cleanliness a part of their daily routine. This event was successfully coordinated by **Mr. Abhijit K. Salunkhe, Mr. Anis A. Shaikh, Mr. S. S. Sutar, Mr. Dinesh Shirsat**, and all NSS department members under the NSS program.
