

RESUME

- **Name** : - Mr. Chandvale Sachin Prakash.
- **Address for correspondence** : - Near Siddeshwar Computers
A/P- Atpadi Tal-Atpadi, Dist-Sangli
- **Date Of Birth** : - 04/01/1984
- **Gender** : - Male
- **Contact Nos.** : - Cell - 9175334507
- **Email Id** : - sachin.chandvale@gmail.com
- **Educational Qualification** : - ME(Electronics)
- **Experience** : - 18 Years of Teaching Experience

Qualification Details

NAME OF EXAM	BOARD/UNIVERSITY	PERCENTAGE	CLASS
S.S.C.	Maharashtra State Board	62.12	I
H.S.C.	Maharashtra State Board	60.00	I
B.E(Electronics)	Shivaji University, Kolhapur	62.06	I
ME (Electronics)	Shivaji University, Kolhapur	63.56	I

- **Project Details** : - Successfully completed the project named “PLC Based Elevator Position Control Using Encoder” at B.E. level.
Project was the combination of hardware & Software.

- **Paper publication:** - 1) A Review on Implementation of Unique Technique for Identification and Analysis of Corona Virus (COVID-19) infectious diseases from radiology images using MACHINE LEARNING.
2) Identification and Analysis of Corona Virus (COVID-19) Infectious Diseases from Chest X-rays or Radiology Images Using Machine Learning.
- **Short term training program:** - 1) Attain short term training program on Image processing & applications at PVPIT Budhgaon during 22nd to 26 June 2015.
2) Attain workshop on Real time operating system held in Electronics dept at PVPIT Budhgaon
3) Attain training program on Embedded system & Robotics at PVPIT Budhgaon during 6th to 10th Jan 2020.
- **Industrial training:** - 1) Attain three days industrial training at Thermal power plant at Dahanu
2) Attain three days industrial training at Bharat forge Ltd at Pune.
- **Work Experience:** - Working as a Lecturer in Electronics & Telecommunication Engg. Department at PVPIT Budhgaon, a well-known institute from western Maharashtra.
- **Other Experience:** - 1) Worked as convener in Electro-probe Held in March 2014.
2) Worked as coordinator in MSBTE Sponsored Program “Recent trends in PCB designing held in Jan 2015.
3) Worked as Co-coordinator in MSBTE Sponsored Program Embedded system & Robotics” held in Jan 2020.
4) Worked as a Controller of examination in MSBTE Theory exam.
5) Worked as academic monitoring committee member in 2021-22.
6) Worked as question paper setter in MSBTE Theory Exam.
- **Subjects Teaching at Diploma Level :** - 1) Electronics Components and Applications.
2) Fundamentals of Electronics.
3) Linear Integrated Circuits.
4) Basic Electronics.
5) Applied Electronics.
6) Control System & PLC.
7) Elements of Electronics.
8) Mobile Communication.
9) Electronic Devices & Circuits.
10) Computer Network & Data Communications.
11) Analog Electronics.
- **Course:** - 1) Introduction to PLC and SCADA.
