

Mr. SUMESH SHINDE

Assistant Professor | Basic Science Engineering
P. V. P. Institute of Technology, Budhgaon
| portfolio-sumesh.vercel.app

Objectives

Passionate educator and full-stack developer seeking to leverage industry experience in Java Full Stack and .NET development to deliver practical, industry-aligned computer engineering education at PVPIT Sangli.

Expertise

- Full-Stack Web Development (Java & MERN)
- Curriculum Design & Industry-Aligned Teaching
- REST API & System Design
- Mentoring & Project-Based Learning

TECHNICAL COMPETENCY

- Java, Spring Boot, Hibernate
- React.js, JavaScript (ES6+), HTML5/CSS3
- Node.js, Express.js, ASP.NET, C#
- MySQL, MongoDB, MSSQL, TiDB
- DSA, OOP, DBMS, Computer Networks
- Git, GitHub, Postman, Vercel, Render

SUBJECTS TAUGHT / READY TO TEACH

- Web Development (HTML/CSS/JS/React)
- Data Structures & Algorithms
- Database Management Systems
- Object-Oriented Programming (Java/C#)
- Computer Networks
- Operating Systems & System Design

CERTIFICATIONS

- Java Full Stack Developer — A Grade
- Web Development — A Grade

STTPs/FDPs

- Two Week : 02
- One Week : 02

Experience: 1 Years

Assistant Professor • *Basic Science Engineering* • PVPIT Sangli
July 2026 – Present

- Recently joined PVPIT Sangli as Assistant Professor in the Computer Engineering department.

Assistant Professor • *Zeal College of Engineering & Research, Pune*
September 2025 – July 2026

- Designed and delivered industry-aligned curriculum for Web Development and Computer Networks — HTML, CSS, JavaScript, React.js, and networking fundamentals.
- Mentored 40+ students on mini-projects; improved project completion rates through structured code reviews and one-on-one debugging sessions.
- Translated complex backend concepts — system design, REST APIs, OOP — into project-based learning modules.
- Conducted interactive lab sessions on Git, Postman, Vercel, and React.js component architecture.
- Encouraged students to build and deploy end-to-end projects, preparing them for internship and placement readiness.

Junior .NET Developer (Internship) • *RN Software & Consultants, Kolhapur*
January 2024 – May 2024

- Developed ERP-based software modules using ASP.NET, C#, and MSSQL for business process automation.
- Optimized database queries, improving backend response times for key reporting modules.
- Participated in the full SDLC and collaborated in an Agile team environment.

Education:

M.Sc. (Technology) — *Industrial Mathematics with Computer Applications* • Shivaji University, Kolhapur
July 2021 – March 2024 | 65.55%

Postgraduate Diploma in Full-Stack Development • Spark It Training Institute
June 2024 – February 2025 | A Grade

Other Responsibilities:

- Served as **Class Teacher**
- Served as Institute level SIH Hackthon examiner

Project Guided

UG Mini-Projects: 15+ students mentored
