

Prof. Kiran Ravindra Shivasharan.

Assistant Professor | Electrical and Computer Engineering
P. V. P. Institute of Technology, Budhgaon

Objectives

To contribute to excellence in engineering education by applying strong technical knowledge in Electrical Engineering and Power Systems, fostering student learning through innovative teaching methodologies, engaging in research and academic development, and continuously enhancing professional skills while contributing to the growth of the institution.

Expertise

- MATLAB/Simulink Modeling and Simulation
- Power System Analysis
- Power Generation, Transmission & Distribution
- Electrical Circuits & Network Theory

Competency

- Effective Teaching & Learning
- Technical Presentation Skills
- Student Mentoring & Guidance
- Time Management and Communication Skills

IPR

-

Papers/Publications

- International Journals: 01

Experience: 01 YEAR

Industry-01 Year

System Engineer, Hyosung T & D; India PVT.LTD Pune.

Education:

M. Tech. • Jan 2025 • Walchand College of Engineering, Sangli

Earned the Master's Degree in Electrical Engineering Power Systems from WCE, Sangli.

B. E. • July 2018 • Govt.College of Engineering,Karad.

Earned the Bachelor's Degree in Electrical Engineering from GCEK with Distinction.

Other Responsibilities:

- Result Analysis Coordinator
- R&D Coordinator
- B. Tech. Class Teacher

STTPs/FDPs

-

Project Guided
