About the Institute

The Padmabhooshan Vasantrodada Patil Institute of Technology, Budhgaon, Sangli, is a renowned and leading institute in western Maharashtra, established in 1983 by the Late, Dr. Vasantrodada Patil, Ex. Chief Minister, Maharashtra state and Ex. Governor, Rajasthan. The institute is progressing under able leadership of Chairman Hon. Shri Vishaldada Patil and Trustee Hon. Shri Amitdada Patil, Sketkari Shikshan Mandal, Sangli. The institute is dedicated to development and welfare of the students and society, particularly rural and suburban area.

The institute is affiliated to Dr. Babasaheb Ambedkar Technological University (DBATU), Lonere, approved by AICTE, Delhi, and recognized by DTE, Maharashtra. The institute runs 8 under graduate, 5 Post graduate and 6 diploma courses.

About the Program

As per the DBATU curriculum our FY and TY Civil Engineering students have to complete minimum 15 days of industrial/field training during summer vacation and appear at examination in next semester. Due to present COVID19 pandemic situation field training may not be safe. Online training programs which can expose the students to field work are needed as an alternative to the actual field training. We are conducting 15 days (from 29/06/2020 to 13/07/2020) online industrial/field training program as an innovative step. This program will be jointly organized by **Civil Engineering Department, P.V.P.I.T., Budhgaon, CREDAI Sangli, CREDAI Pune, Engineers and Architects Association, Sangli and Builders Association of India (BAI).**

Daily schedule of the program

Session 1- Online expert interaction, with exposure to actual field work (Using online platform)

Session 2- Students will watch the videos shared with them through online link on whatsapp.

Session 3- Student are required to solve quiz based on day's sessions 1&2, through link of Google form.

Multiple Choice Questions will be shared with the students. Score obtained by the students in all 15 days quizzes will be considered for term work evaluation in next semester (60% weightage).

Let us work together for grooming our future engineers and dedicate ourselves for the development of society and nation.
