Subject- Invitation for delivering Expert Lecture.

Dear sir,

It gives immense pleasure to invite you for expert lecture on "Programmable Logic Controller" for final year. B.Tech electrical engineering students. As per discussion with you this lecture is arranged on 26/11/2024 at 10.00 am in electrical engineering department.

I request you to grace the students by your valuable knowledge, experience and guidance to students for their future opportunities.

Thanking You.

Yours faithfully,

Subject Teacher

Sub: - Regarding Seminar Permission

Dear Sir,

We are really thankful to you show keen Interest to Demonstrate CADDESK training program at your college.

As you know that training is very important aspect of any educational Diploma/Degree for every student. It is very important for a student to judge and decide the place and kind of training. In the recent past, we have seen a tremendous change in the field of education especially in the field of engineering and technology. All the renowned institutions are setting up their infrastructure to give the best education to the young minds to shape up their career to make stand out in the world of globalization.

We are offering the training program on **Recent Technology In Electrical Software's** based software's along with the live projects.

Therefore, ref. to the subject, we want to give a 1 hrs. Lecture on **Recent Technology In Electrical Software's** applications & market demand. The contents of the program will be as:

We require following things from the college, for the program:

- | | |
|-------------------------------------|----|
| 1. Seminar Hall/Room | 01 |
| 2. LCD Projector if can be arranged | 01 |
| 3. Table | 02 |
| 4. Chair | 03 |
| 5. Students | |

Kindly, confirm us about the **Date & Time** for the Demonstration/ seminar.

Regards,

CADDESK, SANGLI

Subject- Permission for conducting Industrial oriented training on Electrical Vehicle by Harbour Technology in association with Elan & Nvision IIT, Hyderabad for T.Y.(B.Tech) Electrical Students.

Respected sir,

For T.Y.(B.Tech.) Electrical students, we want to conduct Industrial oriented training on **Electrical Vehicle** by Harbour Technology in association with Elan & Nvision IIT, Hyderabad

This training will be 05 days in last week of February 2020. Fee for this training per students is Rs. 2000/-. Minimum 40 students batch is required and college has to provide hospitality for technical trainer

After completing this programme students will get training on latest technology of electrical vehicle and hands on session, which will help to get jobs. Training certificate will be issued to students. After completing this training, competition would be executed among the students & the winners would be invited to come and participate at the final show down at IIT, Hyderabad Campus.

Please permit us to conduct this programme.

Thanking you.

Sub: - Confirmation letter to organize Techradiance'20 training at our campus premises.

Dear Sir/madam,

Refer to your proposal, we confirm that we would like to participate (A national level championship & workshop series). The steps forward, you can conduct 1st level workshop at our P.V.P Institute of Technology, Budhgaon, Dist-Sangli, State-Maharashtra campus premises. We will ensure to provide you all required infra support as per proposal received by us. The confirmation details are as follows.

Training Date : Slot No. 1 - 24/02/2020 to 29/02/2020, Slot No.2 - 23/03/2020 to 28/03/2020

Technology : Electrical Vehicle

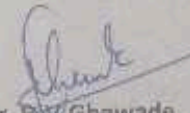

Fee per students : Rs. 2000/- (Including GST & Vehicle transportations)

Minimum Participants : 35 to 40

We are also nominating faculty and student to coordinate entire event and making it successful. Details for the same are as follows.

Respected Sir/Madam;

Greetings from Just Engineering!

Thank you for the invitation for the Vasant Karandak Event at your esteemed organization.

We are pleased to provide sponsorship for your event in order to encourage participants.

It will be a pleasure if you can provide us with a student database in order to promote our various PLC SCADA Automation training programs to engineering students which will be beneficial to them for their future career development.

JUST ENGINEERING is Pune's renowned Engineering training provider, well known for providing quality training in advanced technologies like PLC, SCADA, HMI, Sensor Technology, Drives, Panel Designing, etc. Currently these are the hottest and largest job providing technologies. This Program will be suitable for the students of Mechanical, Electrical, Instrumentation, Electronics and E&TC branches. By attending this Seminar, the students will also be introduced to the career opportunities in the Industrial Automation field.

Thank you in advance for your cooperation.

Mr. Vivek Sardal,
Regional Manager,
Just Engineering

Respected Sir,

On behalf of the Department of Electrical Engineering, I would like to thank you for delivering the expert lecture on "Career in Industrial Automation" on 19th April 2022.

We are fortunate to have someone of your expertise to give time from your busy schedule to share with our students. The knowledge of latest trends in Automation and Control is very much important nowadays to get opportunity to work in the industry. You provided insights about the same very interestingly. Your words of guidance were well received by all the attendees. It was a pleasure for all of us to hear you.

Sincerely,

Prof. L. S. Patil
