A Report on IPR Awareness Seminar

Title:

A Seminar on Intellectual Property Rights for Intellects

Objective:

To create awareness and encourage first year students for filling IPR

Benefit:

1. Two hundred and fifty five students attended awareness session on IPR.
2. Students learned about types of intellectual property rights and its importance.
3. Students got awareness about the process of filling IPR.

Overall Report:

On February 23, 2022, the IIC Cell of PVPIT, Budhgaon, hosted a seminar for first-year students on intellectual property rights. Mr. Drhuv Bramhbhatt, MD of Mycrave Consulting and Services, spoke about the several types of intellectual property rights and their importance. Miss Pooja Menon, COO of Mycrave Consulting and Services, elaborately explained the concept of "Copyrights", "Trademark", "Design and Utility Patents". Students were made aware about IP rankings of different countries and the benefits of having an IPR were explained to students. In order to improve India's IPR standing internationally, the experts also emphasised the importance of filing IPRs and they urged students to file an applications for patent if they have any novel idea. The IPR filing process was explained to the students by Miss Pooja Menon. A few students discussed with speakers to explore the possibility of getting a patent.
