## REPORT

### **Title:**

Empowering Future Women Engineers: A Workshop for Final-Year Girl Students organized by Training and Placement office and IIC on 12<sup>th</sup> to 13<sup>th</sup> August 2024.

### **Objective:**

The primary objective of the workshop was to empower final-year girl students across all branches of engineering by equipping them with the necessary skills, knowledge, and confidence to transition smoothly from academia to the professional world. The initiative aimed to address the unique challenges faced by female engineers and to foster a supportive environment that encourages their career development. The workshop also sought to enhance their technical and soft skills, making them industry-ready and capable of thriving in their future careers.

### **Workshop Details:**

- **Date:** 12<sup>th</sup> August 2024 to 13<sup>th</sup> August 2024
- **Time:** 10:00 AM to 04:30 PM
- **Venue:** [Central Auditorium, PVPIT, Budhgaon]
- **Participants:** Final-year Girl Students from all branches of Engineering

### **Activities Conducted:**

#### **1. Technical Sessions:**

- Workshops on the latest technologies and industry trends.
- Hands-on training sessions on specific tools and software used in the industry.
- Guest lectures by industry experts focusing on real-world applications and problem-solving.

#### **2. Soft Skills Development:**

- Interactive sessions on communication skills, resume building, and interview preparation.

- Workshops on leadership, teamwork, and workplace ethics.
- Personal development seminars focusing on confidence building and time management.

### 3. Industry Interaction:

- Panel discussions with professionals from Mahindra and Mahindra, sharing their career journeys and insights.
- Q&A sessions where students could interact with industry experts and ask career-related questions.
- Networking opportunities with professionals to build industry connections.

### **Benefits:**

- **Enhanced Technical Knowledge:** The students gained exposure to the latest industry trends and technologies, helping them bridge the gap between academic learning and industry requirements.
- **Improved Soft Skills:** The focus on communication, leadership, and other soft skills equipped the participants with the necessary tools to excel in job interviews and in the workplace.
- **Industry Insights:** The interaction with professionals provided valuable insights into the corporate world, helping students align their career goals with industry expectations.
- **Networking Opportunities:** The workshop offered a platform for students to network with professionals from Mahindra and Mahindra, potentially opening doors for future internships and job opportunities.

### **Overall Report:**

The workshop proved to be a significant step toward empowering female engineering students. The combination of technical training, soft skills development, and industry interaction ensured a holistic approach to their professional growth. The participants left the workshop more confident, better prepared for their careers, and inspired to pursue their goals with renewed enthusiasm.
