

Women's Day Celebration 8th March 2025

The Electrical Department celebrated International Women's Day with great enthusiasm and fervor. The event was organized to recognize and appreciate the contributions of women faculty and staff members.

The program began with the felicitation of women faculty and staff members. The guests of honor were welcomed with bouquets and gifts. The women were praised for their hard work, dedication, and achievements. Inspiring speeches were delivered by girls and faculty members. They shared their experiences, struggles, and successes. The speeches emphasized the importance of women's empowerment, equality, and education. The event also featured fun-filled games and activities. The participants enjoyed the funny dialogues and hilarious performances. The games were designed to promote teamwork, communication, and bonding. The program concluded with a delicious snack and refreshment session. The guests enjoyed the snacks and socialized with each other. The Women's Day Celebration at the Electrical Department was a huge success. The event promoted women's empowerment, equality, and education. It also provided a platform for women to share their experiences and bond with each other.
